Newark Eagles Ball Club.
Newark. N.J.

Dear Friend Illidge;

Your letter received, and there is a possibility that I can use your club in this section for some games, will have my whiskered club in here also at that time, and will try and book as many good spots as possible.

If you will let me know what terms you will work under, also what publicity matter that you furnish, will get busy on this.

Yours truly.

Bridger

Any possibility of booking my club in your section,
